The University of St Andrews offers a world-class food and beverage experience for all guests. Our menu offerings reflect a diverse choice of meals and are designed to support a culture of healthy eating.

The University is committed to be “net zero by 2035”. Delivering a net zero impact on the planet, encompassing emissions as well as stopping other forms of environmental degradation.

A priority is to support the land and the local economy by reducing food waste, food miles, using compostable packaging whenever possible and using fresh local and Scottish products.

Through food, we make choices about climate, social justice, equality and much more. We work with Fairtrade to buy better food while educating and prompting the market to make a change.

Our team take pride in providing an unforgettable experience whilst following the University motto: Ever to Excel.
